

SAVVY ROAD WARRIORS ROLL WITH NITECRUZER CARRY-ON FOR HASSLE-FREE BUSINESS AIR TRAVEL

Enjoy flight to freedom with first class Pelican case that provides superior mobility and protective compartment for a Mac Book Pro!

You are that rare breed. A business nomad who knows how to travel light and smart. An expert on ease and elegance, when it comes to overnight business trips near and far.

Your ideal is new trailblazing amenities, like **NiteCruzer** – the most practical and durable airline-legal carry-on case available today. Its spacious interior gives globetrotters like you ample storage for the essentials of business and pleasure. And the exclusive lid compartment is the perfect cradle for your Apple MacBook Pro 13.3-, 15-inch or the new MacBook Pro Air.

SMOOTH ARRIVALS AND DEPARTURES

As a world-class voyager you'll appreciate **NiteCruzer's** 17-inch retractable extension handle, which allows you to swiftly roll in and out of any hemisphere. And since the case is equipped with side and front handles, you won't need assistance when hoisting it into an overhead bin.

With **NiteCruzer** there's no need to worry about turbulence. This resilient travel companion comes with metal reinforced padlock protectors which add strength and extra protection against cutting, theft and high winds. Flying into the monsoon season? No problem. The waterproof **NiteCruzer** with buoyancy of up to 64.2 lbs will always rise to your expectations.

The peerless and intrepid **NiteCruzer** also includes these standard Pelican case features:

- Water and dustproof neoprene o-ring seal
- Automatic purge valve with Gore-Tex® membrane
- Easy to open double-throw latches
- Durable but lightweight construction: Only 15 pounds when empty

YOU'RE THE MAN!

When you go the distance for your business clients, you deserve the best. That's why **NiteCruzer** delivers more than just safe travel. Wherever you go, our Lifetime Guarantee goes with you.

NiteCruzer. Peace of Earth and in the Air!
